CARING CONVERSATIONS

Discuss in your home or small group:

- How do you develop or help make a close and trusted friendship?
- To believe in Jesus is to experience Jesus and to have Jesus dwell with us. How do you experience Jesus dwelling with you?
- In Holy Communion we receive the living bread through the body and blood of Jesus Christ in bread and wine. How does this meal celebrated in a community of faith give you an experience of Jesus?

DEVOTIONS

Read: John 6:51-58.

Unlike the other three gospels, the Gospel of John does not have a scene that includes the words of institution at Jesus' last supper, the words that become the foundation for the Lord's Supper. However, John is clearly aware of the Christian use of the Lord's Supper. John 6 makes a direct connection to the practice of this meal with the reference to eating and drinking of Jesus' flesh and blood. Jesus promises that those who "eat my flesh and drink my blood" have an intimate and eternal relationship to him; they abide in Jesus and Jesus abides in them (v. 56). The important point for the Gospel is that the Lord's Supper gives Jesus' followers an immediate experience of the risen Christ, one that brings new life now, an eternal life that has already begun. How is it that believing in Jesus is more than an acceptance of who our Lord Jesus Christ is, but also involves a relationship with our Lord Jesus Christ?

Pray: Lord Jesus Christ, thank you for being with us, feeding us, and giving us eternal life that has already begun. Amen.

SERVICE

Share the blessings you have received from God with a needy child or family overseas. Use a trusted organization like your local congregation or national church office to help you learn about the possibilities and enable you to make a contribution.

RITUALS AND TRADITIONS

Ephesians 5:19 urges us to "sing psalms and hymns and spiritual songs among yourselves, singing and making melody to the Lord in your hearts." Spend time together with family and/or friends and make a list of your favorite Christian hymns or songs. Sing them or pray them together. You can also create your own songbook that you can use each week and take them on your vacations. Encourage children and others to decorate the songbook with artwork.
